**Description of Services:** We provide services to the disabled population such as

**Independent Living Program** - The supervisor will assist a consumer out in the community such as grocery shopping, laundry, appointments to Dr.'s., and help them learn housekeeping chores.

**Supported Employment** - The Casemanager will try to find a job out in the community and then support them while they work at the off-site location. If not out into the community the consumer will work here at our Minot Ave. Site in a sheltered workshop or at Rodman Road (our warehouse).

**Extended Employment** - The casemanager will support and guide them while they work here at our Minot Ave. facility in our sheltered workshop doing piece work.

**Day Habilitation** - The consumer will go out into the community and participate in assisting programs like Meals on Wheels, exercising with the elderly at Clover Manor, taking care of our Adopt-a-Spot, learn how to use the library and many other activities.

**Personal & Social Development:** The consumers are located at our Minot Ave. Facility. These consumers require more assistance with possibly a one on one. They will also do activities.

**Work Place Program:** The consumer will be referred to us and we will do an assessment to see what they can or can not do. This assessment could be from 2 weeks up to 6 weeks depending on the consumer. They may try working at all our different sites including Brunswick Naval Station in the Galley doing dishwashing or bussing tables.
